## **Hancock County Soil and Water Conservation District 2017 Request for Qualifications and Bids for Services**

The Hancock County Soil and Water Conservation District (HCSWCD) is seeking Statement of Qualification (SOQ) submittals and bids from individuals and companies for the following services:

- 1) Contractors for Site Work – Installation of design specifications thru contracts with HCSWCD when performing work under standards of Title 38 M.S.R.A. Section 420. Specifications include but are not limited to construction Best Management Practices (BMPs) for Residential, Commercial and Municipal projects. Contractors shall be certified by the Maine Department of Environmental Protection in Erosion and Sediment Control Practices.
- 2) Environmental Consulting Services- This includes but is not limited to: 1. Recommending or inspecting sediment and erosion control best practices for earth-work in Hancock County. 2. Accurately diagnosing the cause of agricultural, forestry, transportation and development related erosion. 3. Recommending solutions to correct the erosion problem(s). 4. Inspecting and evaluating completed work for quality control.
- 3) Engineering Services- Design and specify shoreline, steep slope, storm-water management or road-stream crossing requiring culverts or pre-fabricated bridges. Services may also involve overseeing construction during installation and certification that the final product will function as designed. Interested individuals must be familiar with designing and permitting stream crossings that meet Local, State, and Federal regulations including Atlantic salmon habitat areas and be licensed through the Maine State Board of Licensure for Professional Engineers.

Interested parties can receive a Request for Qualifications (RFQ) from HCSWCD at 192 Main St, Suite 11, Ellsworth, ME 04605; at the website: [www.hancockcountyswcd.org](http://www.hancockcountyswcd.org); or by email from [info@ HancockCountyswcd.org](mailto:info@ HancockCountyswcd.org).

Qualified companies and individuals for the above positions will be included on the Qualified Lists maintained by HCSWCD for use by HCSWCD and its participating landowners and partners when in need of the above services.

The HCSWCD reserves the right to accept or reject any or all Statement of Qualification (SOQ) submittals. The HCSWCD Board of Supervisors will base its approval on the evaluation of SOQ submittals, consultant qualifications and experience and on client references.

SOQ submittals must be received by the HCSWCD at 192 Main Street, Suite 11, Ellsworth, ME 04605 on or before May 30, 2017 for the consultant to be considered for the 2017 fiscal year.

The HCSWCD is not responsible for any expenses incurred in preparing, submitting or presenting SOQ submittals. The HCSWCD is an equal opportunity provider and employer.
