**Our fish are 6-8 inches. We want your fish to get home safely; be sure to pick them up on time. The oxygen bags are good for only a few hours. Sorry, but we cannot provide refunds for fish not picked up.**

**STOCKING GUIDE**

The number of fish a pond can support depends on many factors including water temperature, available food, flow of water through the pond, depth, and surface area. Surface area is the best factor to use as an estimate.

Surface Area of Pond	Number of fish 5-6" and Larger
1/4 acre	50
1/2 acre	100
3/4 acre	125-150
1 acre	150-250

**IF SOMEONE OTHER THAN PERMITEE IS GOING TO PICK UP YOUR FISH, THEIR NAME MUST BE ADDED TO YOUR PERMIT IN ADVANCE BY THE MAINE INLAND FISHERIES & WILDLIFE**

A valid ME IFW stocking permit from the Maine Department of Inland Fisheries and Wildlife must be obtained before the you pick-up fish. Please check your permit for expiration date and species. Visit <https://www.maine.gov/ifw/forms/> to download permit application or call Maine Inland Fish and Wildlife IF&W at (207) 287-5202. Please allow two weeks to process your application. **You must present a valid permit to the Game Warden in order to pick up your fish the day of the sale.**
